Grades 4-6

This summer, we're reading

THE PARKER INHERITANCE

by Varian Johnson

When Candice finds an old letter, she isn't sure she should read it. It's addressed to her grandmother.

The letter describes an injustice that happened decades ago, a mystery enfolding the letter-writer, and the fortune that awaits the person who solves the puzzle. Grandma tried and failed. But now Candice has another chance.

So with the help of the quiet boy across the street, she begins to decipher the clues in the letter. The challenge will lead them deep into the town's history, full of ugly deeds, forgotten heroes, and one great love; and deeper into their own families, with their own unspoken secrets. Can they find the fortune and fulfill the letter's promise before the summer ends?
